

**I-66 TRANSFER STATION RULES AND REGULATIONS**  
**4618 West Ox Road, Fairfax, Virginia 22030**  
**July 1, 2005 - June 30, 2006**  
**(703) 631-1179**

In order to provide an efficient and economical disposal service, the following rules will be strictly enforced at Fairfax County's I-66 Transfer Station.

- All Municipal Solid Waste (MSW) will be directed into the Transfer Station for processing. Construction/Demolition/Debris waste will be directed to the I-95 Complex or a CDD landfill.
- Use of the I-66 Transfer Station Complex is limited to: commercial companies with collection or disposal permits, government agencies, county residents, and commercial cash customers.
- All persons must follow verbal instructions of county operations personnel.

**COMPANY PERSONNEL**

All company personnel on I-66 Transfer Station property must conduct themselves in an orderly manner and follow oral/written instructions of county personnel. Failure to comply may result in the suspension of the individual(s) and the company from using the facility. The I-66 Transfer Station Complex Manager will determine the duration of any such suspension. At the option of the I-66 Transfer Station Complex Manager, the restriction may begin immediately or be scheduled based upon the circumstances. The I-66 Transfer Station Complex Manager or his representative will telephone the company owner/representative to relay the specific circumstances and duration of any suspension.

**I-66 TRANSFER STATION COMMERCIAL RECYCLING CENTER**

Disposal of clean brush, yard waste, and ferrous metals/white goods at the I-66 Transfer Station will only be authorized at the designated area of the I-66 Recycling Center. Clean brush is defined as the wood part of yard waste such as tree trimmings or prunings (including Christmas trees), with a branch and/or trunk diameter of 20 inches or less. Ferrous Metals/White Goods are defined as, but not be limited to, stoves, refrigerators, washing machines, clothes dryers and hot water tanks. It is the responsibility of the permit holder to immediately remove any unauthorized solid waste discharged at the I-66 Recycling Center.

**DEBRIS MATERIAL**

Dirt, concrete, asphalt, rock and other similar material will not be accepted at the I-66 Transfer Station Complex. This waste may be taken to the I-95 Landfill Complex with the approval of the Superintendent or his representative. Please telephone (703) 690-1703 before bringing such material.

**VEHICLE REGULATIONS**

1. County solid waste decals must be clearly displayed on both sides of vehicle.
2. Speed limit on County property is 15 MPH. *Drive safely* and minimize speed on the entrance roadway to the facility.
3. All commercial vehicles are subject to periodic vehicle inspection by county personnel.
4. All commercial vehicles must be weighed at the scales before discharging in the Transfer Station or Recycling Center. Drivers need to stay with their vehicles while in line and at the scales.
5. Upon entering the disposal facility scale, the driver of the vehicle must disclose the ORIGIN and TYPE OF MATERIAL of the waste to be disposed.

## **I-66 TRANSFER STATION RULES AND REGULATIONS**

### **Page 2**

6. Tailgates are not to be unlatched at the scale area. Tailgates are to be opened and closed in the Transfer Station or Recycling Center only, unless otherwise instructed.
7. No open top roll-off containers are allowed unless carrying grass, brush, leaves, or metal, or under previously arranged special circumstances.
8. Cell phone use is not allowed when driving on County facilities.
9. Horn blowing is not permitted on the site unless being used for safety or emergency purposes.
10. No person will use or possess intoxicating beverages, illegal drugs or weapons of any kind while on I-66 property.
11. **Drivers must wear safety vests with reflective material, or clothing with reflective markings (orange or yellow), while out of their vehicles at the I-66 Transfer Station.**
12. All persons must follow instructions of county personnel and traffic directors.
13. Truck cleanup behind compaction blade is prohibited.
14. Trucks with hydraulic leaks will be responsible for their own spills. Trucks with repeated problems may be banned from the site until adequate maintenance is performed.
15. Vehicles cannot be repaired or abandoned on County property. Abandoned vehicles shall be towed at owner's expense.
16. The County of Fairfax assumes no liability for damages to vehicles or injuries to individuals on the Transfer Station premises. Report any accident immediately to the Transfer Station Complex Manager.
17. **Drivers must notify scale personnel immediately in the event of vehicle fire/hot loads and obtain instructions prior to disposal.**

### **SUSPENSION OF DISPOSAL PRIVILEGES**

The county reserves the right to immediately suspend disposal privileges in the event of:

- Nonpayment of solid waste disposal fees or delinquent accounts.
- Disposal of unacceptable or hazardous waste.
- Failure to have a vehicle properly permitted and inspected.
- Operating vehicle and/or container with safety deficiencies or in an unsafe manner.
- Salvaging and/or removal of unauthorized items from discharged waste.
- Noncompliance with rules and regulations concerning the I-66 Transfer Station or Chapter 109 of the County Code.
- Disposal of items, which, at the discretion of Complex Manager or his representative, may impede operations or are considered hazardous to personnel.
- Unacceptable behavior, as determined by county operations staff.
